

PROPOSAL 54

Section 6-803 of the Revised Charter of the City and County of Honolulu 1973, as amended, is amended to read as follows:

“Section 6-803. Powers, Duties and Functions --

The director of the department of environmental services shall:

- [(a) Advise the director of design and construction concerning the planning and design of wastewater facilities.]
- (a) Prepare a functional plan for wastewater to emphasize source reduction and reuse where appropriate. The plan shall be for a thirty-year period with review and revisions every five-years. The wastewater functional plan shall be reviewed and approved as to its consistency with the general plan and development plans by the planning commission.
- (b) Oversee the operation and maintenance of sewer lines, treatment plants and pumping stations.
- (c) Monitor the collection, treatment and disposal of wastewater.
- (d) Provide chemical treatment and pumping of defective cesspools.
- (e) Develop and administer solid waste collection, processing and disposal systems including a comprehensive curbside recycling system.
- (f) Promulgate rules and regulations as necessary to administer and enforce requirements established by law.
- (g) Perform such other duties as may be required by law.
- (h) Ensure that design and construction of wastewater and solid waste facilities are done in accordance with the functional plans.
- (i) Prepare a proactive and sustainable approach and functional plan for waste management including but not limited to reduction and recycling to meet greenhouse gas reduction goals. The plan shall be for a thirty-year period with five-year updates. The solid waste functional plan shall be sent to the planning commission for a review of consistency with the general plan and development plans.”

Section 6-903 of the Revised Charter of the City and County of Honolulu 1973, as amended, is amended to read as follows:

“Section 6-903. Powers, Duties and Functions --

The chief engineer shall:

- (a) Prepare and implement an energy efficiency plan to reduce greenhouse gas emissions and meet clean energy goals of the state and city. The energy efficiency plan shall be updated annually.
- [(a)](b) Maintain public buildings and their adjoining parking facilities, except as otherwise provided by law.
- [(b)](c) Maintain public streets, roads, bridges, traffic medians, triangles, circles, other traffic calming appurtenances and walkways, and drainage and flood control systems.

- [(c)](d) Install and maintain street lighting systems.
- [(d)](e) Maintain, oversee and monitor drainage and flood control systems, administer city storm water permits, programs and management plans, and enforce city ordinances and rules relating to storm water quality.
- [(e)](f) Perform such other duties as may be required by law.”

Section 6-1403 of the Revised Charter of the City and County of Honolulu 1973, as amended, is amended to read as follows:

“Section 6-1403. Powers, Duties and Functions --

The director of parks and recreation shall:

- (a) Prepare a functional plan for parks and recreation on O’ahu. The plan shall cover a period of thirty years with review and revision every five years. The parks and recreation functional plan shall be reviewed and approved as to its consistency with the general plan and development plans by the planning commission.
- [(a)](b) Advise the director of design and construction on the planning and design of the parks and recreational facilities of the city, and maintain and operate all such facilities.
- [(b)](c) Develop and implement programs for cultural, recreational and other leisure-time activities for the people of the city, except as otherwise provided by law.
- [(c)](d) Beautify the public parks, facilities and streets of the city, including, but not limited to, the planting, trimming and maintaining of all shade trees, hedges and shrubs on such city parks, facilities and streets except hedges and shrubs on traffic medians, triangles, circles, and other traffic calming appurtenances.
- [(e)](f) Process permit applications to use city parks and recreational facilities for free or affordable child day care programs for consideration by the council pursuant to Section 3-123 of this charter, provided that the director finds that such use does not interfere with the public's use of the property for park and recreational purposes.”

Section 6-1509 of the Revised Charter of the City and County of Honolulu 1973, as amended, is amended to read as follows:

“Section 6-1509. Development Plans –

“Development plans” shall promote the formation of smart and sustainable communities.

[“]Development plans[“] shall consist of conceptual schemes for implementing and accomplishing the development objectives and policies of the general plan within the city. A development plan shall include a map, statements of standards and principles with respect to land uses, statements of urban design principles and controls, and priorities as necessary to facilitate coordination of major development activities.

The development plans and maps (which shall not be detailed in the manner of zoning maps) shall describe the desired urban character and the significant natural, scenic and cultural resources for the several parts of the city to a degree which is sufficient to serve as a policy guide for more detailed zoning maps and regulations and public and private sector investment decisions.”

Section 6-1703 of the Revised Charter of the City and County of Honolulu 1973, as amended, is amended to read as follows:

“Section 6-1703. Powers, Duties and Functions --

1. The director of transportation services shall:
 - (a) Plan, operate and maintain transportation systems, including bikeways, except for activities relating to the city’s fixed guideway mass transit system, to meet public transportation needs, in accordance with the general plan and development plans, and advise on the design and construction thereof.
 - (b) Locate, select, install and maintain traffic control facilities and devices.
 - (c) Provide educational programs to promote traffic safety.
 - (d) Promulgate rules and regulations pursuant to standards established by law.
 - (e) Manage and maintain all commercial parking facilities except facilities that are attached or adjacent to a building or project managed by another city agency.
 - (f) Prepare an energy conservation and emissions reduction plan for city transportation systems which shall include methods to meet state greenhouse gas and clean energy goals. The plan shall be for a thirty-year period with review and revisions every five years. The energy conservation and emissions reduction plan shall be reviewed and approved as to its consistency with the general plan and sustainable community plans by the planning commission.
2. The director of transportation services shall have no power, duty, or function with respect to transportation systems, facilities, or programs which are under the jurisdiction of the public transit authority.”

Section 9-103 of the Revised Charter of the City and County of Honolulu 1973, as amended, is amended to read as follows:

“Section 9-103. Scope of the Annual Executive Budget --

The annual executive budget shall contain at least the following:

- (a) An explanation of the financial program and policies proposed by the mayor for the executive branch for the ensuing fiscal year, including the relationships of the financial program and policies and operating and capital program to the general plan and development plans of the city and additionally, a financial statement reflecting the relationship of the expenses of the council, based upon current level of services, to the city's financial program.
- (b) An operating budget which shall at least contain a statement of transactions of each of the pension systems, trust proceeds funds, debt service funds and revolving funds for the preceding, current and ensuing fiscal periods.
- (c) A capital budget which shall contain at least the following:
 - (1) Permanent public improvements and furnishings, fixtures and appurtenances of any improvement when first constructed or acquired.
 - (2) The acquisition of land or any interest therein for any permanent public improvement.
 - (3) Planning, engineering and conceptual studies relative to proposed public

improvements or land acquisition.

- (4) An explanation of the relationship of the capital program and budget to the general plan and development plans of the city as well as the functional plans prepared by infrastructure agencies including wastewater, energy efficiency, energy conservation and emissions reduction of the transportation system, and parks and recreation.
- (d) Such other information as may be requested by the council.”
