Charter Amendment Proposal Form

1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:

To amend the Charter to terminate the semi-autonomy of the Honolulu Rapid Transit Authority (HART) and return full control and authority for the construction of the Rail Project to the City & County of Honolulu - the Mayor and Council. The autonomous Transit Authority continues to challenge the direction of the Mayor and members of the City Council, though reliant on the City & County, HART has taken charge and the direction set by HART is not in harmony with the priorities for the City & County of Honolulu. Honolulu City & County is the specified grant recipient of funds from Federal Transit Authority (FTA). As the recipient of FTA funds and as responsible for Gross Excise Tax (GET) collections the Honolulu City & County Government should have the final decision on all matters relating to the Rail Project. Based on my request for government records, responses from the Mayor, the Chair of the Council and members of the Council, records on the Rail Project are maintained and in the custody and control of HART. As the final decision makers this is an breach of the fiduciary responsibility that rests with the Mayor and Council of the City & County of Honolulu .
