### Charter Amendment Proposal Form

**1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:**

The City and County of Honolulu eliminated its Housing Department in the late 1990s. There was an assumption that the private sector could provide a sufficient amount of affordable housing. That has not occurred and there is a serious shortage of affordable housing on Oahu, which contributes to homelessness. Consequently, the City and County should re-establish a housing agency. The new housing agency should have as its stated purposes: 1) provide and develop affordable housing; 2) avert homelessness; 3) and implement the City and County of Honolulu's housing policies.

**2. If applicable, list the Charter provision(s) affected by the proposal::**

This would be a new charter provision. It could go in Article VI - Executive Branch - Managing Director and Agencies Directly Under the Managing Director.

**3. If the proposal is based on a provision or provisions in the charter or laws of another jurisdiction (e.g., another county, city, or municipality), name the jurisdiction and, if possible, attach a copy of each provision or law.:**

City of Santa Monica Charter - Article XXIII - Housing Policies.
