Charter Amendment Proposal Form

1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:

Establish a single transit agency that would be responsible for providing bus, rail and HandiVan service on Oahu. This would provide Oahu residents with various transportation options connect people with their community, while easing traffic congestion and reducing air pollution—making our Oahu a better place to live. At present, there are two transit agencies serving the City and County of Honolulu, which is inefficient and duplicative.

2. If applicable, list the Charter provision(s) affected by the proposal::

Article VI - Executive Branch - Managing Director and Agencies Directly Under the Managing Director; Chapter 17 Department of Transportation Services; Article XVII - Public Transit Authority,

3. If the proposal is based on a provision or provisions in the charter or laws of another jurisdiction (e.g., another county, city, or municipality), name the jurisdiction and, if possible, attach a copy of each provision or law.:

TriMet, the public transit agency serving the Portland, Oregon metropolitan region, that provides light rail, bus and commuter rail is one example of a consolidated transit agency.
