Charter Amendment Proposal Form

1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:

Establish an Office of Inspector General attached to the Police Commission that has the authority to audit, investigate and oversee the Police Department's handling of citizen complaints of misconduct by police officers. The findings of the audits and investigations cannot be ignored by the Honolulu Police Department. Under the current Charter, the Police Commission can only make recommendations, which can be rejected by the Honolulu Police Department. There needs to be greater accountability and checks and balances on the department, especially when it involves the use of excessive force by police officers.

Section 6-1606 Power, Duties and Functions of the Police Commission
