Charter Amendment Proposal Form

1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:

Amend the Charter to provide budget autonomy for the Prosecuting Attorney's office. At the current time, the Mayor has the power to restrict funds from the budget of the Prosecuting Attorney after it has been approved and passed by the City Council. Like the Mayor, the Prosecuting Attorney is elected by the people. As such, he/she should be given the right to administer his/her office without interference. The State Judiciary is given budget autonomy and I think that it should also apply to the Prosecutor on the County level.

2. If applicable, list the Charter provision(s) affected by the proposal::

3. If the proposal is based on a provision or provisions in the charter or laws of another jurisdiction (e.g., another county, city, or municipality), name the jurisdiction and, if possible, attach a copy of each provision or law.:
