Charter Amendment Proposal Form

1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:

Give the Police Commission the authority to place the police chief on leave if necessary due to an ongoing investigation. The police chief should be treated the same as police officers who are placed on desk duty or leave while an investigation is conducted. Change Section 6-1603 3. of the Charter, which specifies that gross or continuous maladministration shall be cause sufficient for removal of the chief. Removal of the police chief should not require gross maladministration. The department is too important in our community to wait until a problem of that severity materializes. For example, if there is a pattern of misconduct by officers which is not addressed, that should be sufficient cause for the Police Commission to remove the police chief. The mayor should also be able to request the Police Commission to remove the police chief for cause. That recommendation would require majority approval by the Police Commission.

2. If applicable, list the Charter provision(s) affected by the proposal::

Section 6-1606 of the Charter
