## Charter Amendment Proposal Form

**1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:**

Create an independent agency comprised of citizens that has the authority and ability to review cases of police misconduct. The findings of a panel of citizens may not agree with HPD internal investigation findings. However the police exist to protect and serve the citizens therefore they should act and operate in a way in which the public deems acceptable. In the current form police misconduct runs rampant and there is no effective way to bring about any change in the corrupt culture of HPD.
