Charter Amendment Proposal Form

1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:

I was told that the use of SIRENS late at night on emergency vehicles, primarily the FIRE DEPT, were mandated by laws. I propose a change to allow the the commander or driver of the vehicle to use common sense when using the siren at night. A fire Captain at the Kaimuki Neighborhood Board Meeting said they do not run stop signs or red lights. Case in point, responding to emergencies up Wilhilmena Rise in Kaimuki at 3 AM the Fire Department does not encounter traffic. The emergency vehicle do not run the stop signs. Lights are flashing and the roar of the trucks can be heard in addition to the siren. I asked if it was a tradition to always use the siren, I was told without the siren it would be like ordinary driving.
