Charter Amendment Proposal Form

1. Please provide a brief description of: The Proposed Charter amendment, the purpose of the proposed Charter amendment, the issue or problem to be addressed by the proposal, and how the proposal would address the issue or problem.:

The proposal is to rename the Department of Community Services to the Department of Housing & Community Services. The purpose would be to consolidate all housing functions of the City & County of Honolulu into one department. It would work to answer the major complaint of housing advocates which is that currently there is no central department within the City for people to turn to for help regarding housing issues. The establishment of an executive department focused on housing will ensure that agencies of the state and federal governments, private organizations, nonprofit groups, community organizations, and individuals will have a City department with which they may partner to address issues regarding affordable housing, senior housing, special needs housing, and homelessness.

2. If applicable, list the Charter provision(s) affected by the proposal::
